Chapter 1: Content Creation (15 prompts)

- › "Generate 10 Instagram caption ideas for a [brand/product] launch, each with a different tone: inspirational, humorous, educational, and urgent."
- › "Write a 30-second TikTok script about [topic] that includes a hook, a problem, a solution, and a call-to-action."
- › "Create a 7-day LinkedIn content calendar for a [industry] professional, focusing on thought leadership and networking."
- › "Draft 5 Twitter threads (each 5 tweets long) explaining [complex concept] in simple terms for a general audience."
- › "Produce 3 Facebook post variations for a [event] announcement: one short & punchy, one story-driven, and one data-heavy."
- › "Design a Pinterest pin description for a blog post about [topic], using keywords, a compelling headline, and a call-to-action."
- › "Write a YouTube video description (up to 500 words) with timestamps, links, and SEO keywords for a video about [topic]."
- › "Generate 10 story ideas for Instagram Stories that engage followers through polls, questions, and countdowns."
- › "Compose a newsletter subject line and opening paragraph for a weekly update on [industry trends]."
- › "Create a set of 5 memes or relatable posts for [brand] that align with current internet culture."

Chapter 2: Engagement Strategies (10 prompts)

- › "Give me 5 creative ways to respond to a customer complaint on Twitter with empathy and a solution."
- › "Generate 10 questions to ask in an Instagram Story poll to increase interaction and gather feedback."
- › "Write a script for a live Q&A session on Facebook or Instagram, including 5 pre-written questions."
- › "Create a strategy to increase engagement on a low-performing post, including comment prompts and share triggers."
- › "Draft 3 different responses to a positive review on Yelp or Google, each with a unique thank-you message."
- › "Produce 5 conversation starters for a LinkedIn post that encourages comments from industry peers."
- › "Generate 10 ideas for a Twitter Spaces or Clubhouse room topic that drives discussion."
- › "Write a direct message script to re-engage inactive followers or customers."
- › "Create a plan for a 24-hour takeover where followers vote on content decisions."
- › "Draft a comment that adds value to a popular post in your niche, to increase visibility and networking."

Chapter 3: Analytics & Reporting (10 prompts)

- › "Analyze this social media report [paste data] and identify 3 key insights for improvement."
- › "Based on these engagement metrics, suggest 5 changes to our content strategy to increase reach."
- › "Generate a weekly performance summary template for Instagram, including top posts, follower growth, and engagement rate."
- › "Interpret these A/B test results for two ad creatives and recommend which to scale."
- › "Create a list of 10 KPIs every social media manager should track for [platform]."
- › "Write a report executive summary highlighting our best-performing campaign this month."
- › "Identify patterns in our posting times and suggest an optimized schedule based on engagement data."
- › "Compare our performance to [competitor] and provide actionable tips to close the gap."
- › "Generate a dashboard layout for tracking social media ROI, including metrics and goals."
- › "Create a content audit checklist to evaluate past posts and plan future content."

Chapter 4: Brand Voice Development (10 prompts)

- › "Define a brand voice for a [brand] that is [adjective1, adjective2, adjective3] and provide 5 example sentences."
- › "Rewrite this product description [paste text] in a playful, youthful brand voice."
